

Dear Valued Patients and Friends,

I have decided to leave the rigors of private practice to pursue other interests. It has always been my goal not to retire completely but to balance my career interests with flexibility to enjoy life, my wife and family.

These goals could not be achieved without being able to entrust your dental care to my colleague, Dr. Paul Chaiken. I know he will provide you with the same excellent care you expect and deserve.

Dr Chaiken is a 1984 graduate from the Loyola University School of Dentistry. In addition to General Dentistry, he has advanced training in Cosmetic and Implant dentistry, TMJ therapy, Root Canal therapy, Sleep Apnea, Invisalign & much more.

Connie, J, Nikki, Lewiza and Tserenna will remain with the practice. Together with Dr. Chaiken they look forward to seeing you on your next dental visit.

I want to thank you for the privilege of being your dentist. Your trust and confidence have been professionally rewarding and personally humbling. Our relationships have been a big part of my life, and I will always be grateful to consider you friends.

I wish you the best in life and dental health.

Robert A. Friedstat, DDS
